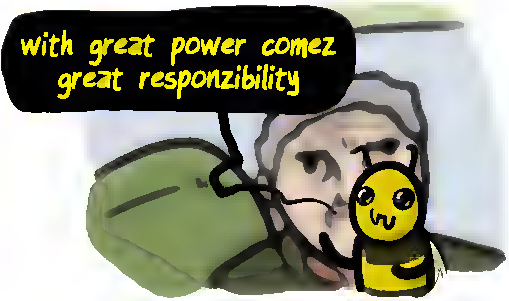
Great Power

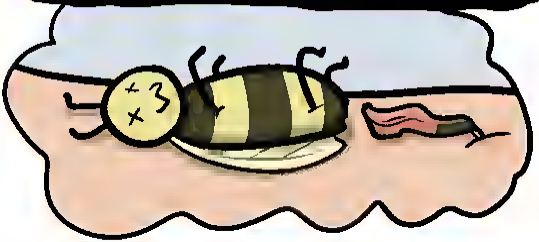


with great power comez
great responzibility

beez are weaponized
with a barbed ztinger

uze of thiz weapon
iz a fateful dezizion

when a bee ztingz zomeone, the ztinger ripz out the beez abdomen, digeztive tract, muzzlez and nervez



you zee

in bee culture

to cauze pain to another creature

for whatever reazon
one muzt be willing to die

but thoze rulez
don't apply to me

why not?
